

Discussion Summary

- Reviewed minutes from 3/03/15 UCCC meeting.
- Update on full-committee online votes for pending courses and petitions
 - Voting not completed, will be updated next meeting
- Report on Haufler award nominees
 - Discussion of nominations
 - Physics nomination selected as winner
- KU Core exemptions for students with BS degrees
 - Review of previous discussion
 - Motion: any previous bachelor's degree from accredited institution waives KU Core
- Begin Pilot Course Review: Framework for review of courses
 - Start pilot review by looking at courses that have been submitted
 - Would like to discuss 2.1 courses at next meeting
- Added: UNIV Designation, Criteria and Approval Process
 - Background: Four courses, 101, 102, 103, 104. 101- Freshman, not required; 102-104- AAAP program, required. Anticipate more courses in future
 - Discussion. Using process most used by schools and departments
 - Suggestion: may not meet university requirement unless it meets experiential course
 - Suggestion: leave it to committee to decide as course comes through nomination; tweak policy as needed rather than setting right now.
 - Discussion of non-need/need for UNIV committee
 - Motion to not accept any new UNIV courses
 - Motion to approve criteria and approval process proposed.

Decisions and Action Items
