

EXAMPLE GOAL 1.1 CIM FORM

The Course Inventory Management System houses all courses at the University. There will be questions before the KU Core portion of the form that are specific to programs or degree requirements. Those questions are not included those on this form.

Course number and name: _____

Department: _____

Cross-listed course department and course number(s): _____

Goal 1.1 Questions - Abstract

- Provide an abstract (1000 character maximum) that summarizes how this course meets the learning outcome.

Goal 1.1 Questions – Application for Approval

- State what assignment, readings, class discussion, and/or lecture topics instruct students how to analyze and evaluate assumptions, claims, evidence, arguments, and forms of expression; select and apply appropriate interpretive tools.
- List and discuss the assignments, projects and/or tests that will require students to form judgments about the assumptions or claims presented, analyze and synthesize information, and make evidence-based arguments to support conclusions.
- Indicate the weight of the evidence that will be used to document student performance in these tasks and how this evidence will determine a supermajority (greater than or equal to 60%) of the final grade.
- Attach a syllabus and any other additional supporting documents.
