

EXAMPLE GOAL 5, LEARNING OUTCOME 1 CIM FORM

The Course Inventory Management System houses all courses at the University. There will be questions before the KU Core portion of the form that are specific to programs or degree requirements. Those questions are not included those on this form.

Course number and name: _____

Department: _____

Cross-listed course department and course number(s): _____

Goal 5.1 Questions - Abstract

- Provide an abstract (1000 character maximum) that summarizes how this course meets the learning outcome.

Goal 5.1 Questions – Application for Approval

- State how your course or educational experience will present and apply distinct and competing ethics theories, each of which articulates at least one principle for ethical decision-making.
- Indicate and elaborate on how your course or educational experience will present and apply ethical decision-making processes.
- State what assignments, readings, class discussions, and lectures will present and apply particular ethics codes.
- Detail how students taking your course or participating in your educational experience will apply principles, decision-making processes, and, as appropriate, ethics codes to specific ethical dilemmas (such as case studies) in which important values conflict.
- Attach a syllabus and any other additional supporting documents.
