

EXAMPLE GOAL 6 CIM FORM

The Course Inventory Management System houses all courses at the University. There will be questions before the KU Core portion of the form that are specific to programs or degree requirements. Those questions are not included those on this form.

Course number and name: _____

Department: _____

Cross-listed course department and course number(s): _____

Goal 6 Questions - Abstract

- Provide an abstract (1000 character maximum) that summarizes how this course meets the learning outcome.

Goal 6 Questions – Application for Approval

- Explain how students will analyze and combine information from different areas and approach and explain existing questions and problems from new perspectives, pose new questions or generate new ideas.
- If your course or course sequence expects students to develop a creative product, please detail the nature of this product and how it will require students to think, react, and work in imaginative ways that produce innovative expressions and original perspectives.
- Indicate the weight of the evidence in the overall grade of your course or educational experience that will evaluate students for integrative or creative thinking and how you will ensure that your syllabus reflects these assignment expectations.
- Attach a syllabus and any other additional supporting documents.
